A Foreword from the Director of Children's Services

Session 2020-21

This handbook contains a range of information about your child's school which will be of interest to you and your child. It offers an insight into the life and ethos of the school and also offers advice and assistance which you may find helpful in supporting and getting involved in your child's education.

Falkirk Council is keen to work with parents, not only to allow you a greater opportunity to contribute to your child's education, but also to encourage you to play a greater role in the life of the school as a whole. We offer a number of opportunities when you will be able to make your voice heard in relation to your own child's education, your local school, and Children's Services as a whole.

Throughout each school year there will be opportunities for you to discuss your child's progress with his/her teacher. There will also be Council-wide events for parents organised by Children's Services. These events are spread across the school year and each focuses on a particular theme. The events are open to all parents and they are also attended, wherever possible, by the Education Portfolio Holder as well as members of the Service's Management Team. Each session offers parents an opportunity to ask questions about aspects of their child's education. Dates for these events will be issued by your child's school and we hope you will be able to come along and hear about, and contribute to, our plans for Education in Falkirk.

We are pleased to introduce this handbook for session 2020/21 and trust it will provide you with all the relevant information you may need concerning your child's school. If you have any queries regarding the contents of the handbook please contact the Head Teacher of your child's school in the first instance who will be happy to offer any clarification required.

Robert Naylor
Directors of Children's Services
Falkirk Council

Footnote: If you want a printed copy of this handbook, please ask the school.

It may be possible to offer some assistance in helping to translate all or part of this handbook to parents whose first language is not English. Enquiries should be directed in to the Communications Officer for Children's Services (tel: 01324 506657).

Disclaimer

The information in this school handbook is considered to be correct at the time of publication (Dec 2019), however, it is possible that there may be some inaccuracy by the start of the school term in August 2020

Curriculum for Excellence - Learning to Achieve

Learning Entitlements

In addition to the entitlements of Curriculum for Excellence our education provisions will reflect local needs and circumstances. Therefore, at different stages of their education, our learners will have opportunities to:

- Link aspects of their learning to the local environment and its heritage
- Participate on a residential experience where possible
- Participate in arts, sports and cultural events
- Participate in environmental projects
- Participate in a community project
- Participate in outdoor learning experiences
- Access appropriate technology
- Be consulted on and contribute to the decision making process in school
- Experience work based learning
- Develop collaborative, social, leadership and other life skills
- Access academic and vocational learning experiences
- Access learning experiences designed and / or delivered by relevant partners
- Reflect upon and be pro active in planning and making choices about their own learning
- Engage with learners in other countries and demonstrate knowledge of their culture.

How can you help?

By law, you must make sure your child receives education.

As a parent, you can help your child by:

- making sure your child goes to school regularly;
- encouraging and supporting your child with any homework given;
- showing that you are interested in how your child is getting on at school;
- encouraging your child to respect the school and the whole school community; and
- being involved in the life and work of the school.

Throughout this handbook the term 'parent' has the meaning attributed in the Standards in Scotland's Schools Act 2000 and the Scottish Schools (Parental Involvement) Act 2006. This includes grandparents, carer or anyone else who has parental responsibility for the child.

Welcome from the Head Teacher

Welcome to Deanburn Primary School Handbook.

This handbook offers an introduction to our school and a general overview of the education your child will be getting at school.

If you have any questions, or would like any further information on any aspect of this handbook or the education of your child, please do not hesitate to contact me.

To make our handbook easy to use I've divided the information into five different sections:-

Section One – Practical Information about the School

This section provides you with some background information on our school (and our nursery). It tells you how our school day and school year are made up and how to contact the school if, for example, your child is ill.

This section deals with the practical aspects of your child's attendance at our school. It provides details on such things as:

- Travelling to and from school
- School meals and milk
- Financial assistance with school clothing, transport and school meals
- School closures in an emergency or unexpectedly for any reason
- General supervision available for your child in the morning and at lunchtime
- Wet weather details
- How the school communicates with parents
- How to complain if you are not happy about something.

As with any organisation, to ensure smooth running and appropriate maintenance of standards, a range of procedures and policies have to be implemented within our school.

This section gives an overview of the policies the school has in place. If you would like to see a full copy of these policies or to discuss them in more detail, please contact me. Most of these policies are available on the school website: www.deanburn.falkirk.sch.uk

Section Two – Parental Involvement in the School

Parental involvement is very important as we know it helps children do better in school.

This section contains information about how parents can be involved in supporting learning at home as part of a home school partnership.

You can also find out more about the ethos of the school, what our values are and our aspirations for our pupils including how we celebrate pupil success, and links we have with partner organisations and the wider local, national and international community.

Lastly, it includes information on our Parent Council and fundraising group (DFG), how to contact them and how parents can get involved in the life and work of the school.

Section Three – School Curriculum

This section describes how the curriculum is planned and delivered in the school including the range of subjects and subject areas your child will be learning. It also includes information on how pupils develop skills for learning, life and work, including literacy, numeracy and health and wellbeing in and out of the classroom.

As well as giving you information about the statutory curriculum requirements we have included details on sports and outdoor activities available to pupils and the range of facilities available within the school.

Details of how parents will be informed about sensitive aspects of learning e.g. relationships, sexual health, parenthood and drugs awareness are included as well as information about religious instruction and observance and arrangements for parents who wish to exercise their right to withdraw their child.

This handbook also tells you how we will report on your child's progress and what written reports may be sent out to parents.

Section Four – Support for Pupils

This section gives information about how pupils' additional support needs will be identified and addressed and the types of specialist services provided within our school. This handbook also explains who to contact for more information if you think your child has additional support needs.

This section also gives information about transition – from primary school to secondary school – what the arrangements are and contact details of the catchment high school to which our pupils normally transfer. There are also details about making a placing request to another school.

Section Five – School Improvement

The section gives you an overview of the main achievements of the school within the last 12 months and performance information relating to literacy, numeracy and health and wellbeing.

Whilst Falkirk Council is happy to provide this information we do have some reservations that the publication of raw statistics, without any kind of informed

qualification or discussion, can be misleading to the reader. In particular, they should not be construed as offering an indication of the quality of education provided in any of our schools.

We have also shown where you can get further information about our plans for the next three years to improve our performance and how the school will involve parents in that improvement.

I hope you find all of the above information helpful and self-explanatory. If you have any queries about any of the information contained in this handbook, or indeed about any aspect of our school, please do not hesitate to contact me.

Lois Cassidy

Head Teacher
Deanburn Primary School

Section One – Practical Information about the School

Contact Details –

Name of Head Teacher - Lois Cassidy

Name of School - Deanburn Primary

Address – Hazeldean Avenue, Bo'ness

Telephone Number – 01506 778320

Website – www.deanburn.falkirk.sch.uk

E-mail Address – deanburnprimary@falkirk.gov.uk

About the school

Stages of Education provided for – Nursery – P7

Present Roll – 304 (including Nursery children)

Denominational Status of the School (if any) – Non Denominational

Organisation of the School Day

Primary 1 pupils attend school on a full-time basis as soon as they start school.

Start Time – 9am

Morning Break – 10.30 – 10.45am

Lunch Time – 12.15pm – 1pm

Finish Time – 3pm (P1-P7)

Gym days for pupils are intimated in the Class Newsletter

Assembly day is Thursday at 9.30am

FALKIRK COUNCIL: CHILDREN'S SERVICES

Agreed Term Dates for Session 2020-2021

<u>School Year</u>	<u>Term Dates</u>	<u>Days</u>	
		<u>Staff</u>	<u>Pupils</u>
Autumn Term Begins (Staff Only - Dev Day)	Monday 17 August 2020		
(Staff Only - Dev Day)	Tuesday 18 August 2020		
Autumn Term Begins (Pupils)	Wednesday 19 August 2020		
Autumn Term Ends	Friday 09 October 2020	39	37
Winter Term Begins (Staff Only - Dev Day)	Monday 19 October 2020		
Winter Term Begins (Pupils)	Tuesday 20 October 2020		
Winter Term Ends	Wednesday 23 December 2020	48	47
Spring Term Begins	Thursday 07 January 2021		
Spring Term Ends	Thursday 01 April 2021	59	58

Summer Term Ends	Friday 25 June 2021	49	48
		<u>195</u>	<u>190</u>

Term Time Public Holidays

Monday 07 September 2020
 Friday 12 February 2021
 Monday 15 February 2021
 Monday 03 May 2021

Staff Development Days

Monday 17 August 2020
 Tuesday 18 August 2020
 Monday 19 October 2020
 Tuesday 16 February 2021
 Thursday 06 May 2021

Registration and enrolment

The date for registration of new school entrants is advertised in all local nurseries, the local press and on the council's website www.falkirk.gov.uk. Pupils should be registered in only one school for their catchment area. Parents will be provided with information about the school, when they register their child.

Pupils who are baptised Roman Catholic are automatically entitled to enrol at the denominational catchment school. All other pupils must make a placing request to attend a denominational school.

Parents who want to send their child to a school other than the catchment school must make a placing request. Please refer to section four of this handbook for more information on placing requests.

Parents of pupils who have moved into the catchment area or, who wish their child to transfer to the school, should contact the school office for information.

Attendance and absence

It is the responsibility of parents of a child of school age to make sure that their child is educated. Most do this by sending their child to school regularly. Attendance is recorded twice a day, morning and afternoon.

Absence from school is recorded as 'authorised' i.e. it has been approved by the education authority, or as 'unauthorised' i.e. the absence remaining unexplained by the parent.

Please let the school know by letter, email to the school's generic address or phone if your child is likely to be absent. If there is no explanation from a child's parents / carers, the absence will be regarded as unauthorised.

Please make every effort to avoid family holidays during term time as this disrupts your child's education and reduces learning time. In certain extreme situations, the head teacher can approve absence from school for a family holiday for example, in traumatic domestic circumstances where the holiday would improve the cohesion and wellbeing of the family. Please discuss your plans with the head teacher before the holiday. If the head teacher does not give permission before the holiday, it will be recorded as unauthorised absence. The Headteacher may also exercise discretion when a parent can prove that work commitments make a family holiday impossible during school holiday times. Normally, your employer will need to provide evidence of your work commitments. Absence approved by the Headteacher on this basis is regarded as authorised absence.

Parents from minority ethnic and/or religious communities may request that their children be permitted to be absent from school to celebrate recognised religious and/or cultural events. Absence approved by the Headteacher on this basis is regarded as authorised absence. Extended leave can also be

granted on request for families returning to their country of origin for cultural or care reasons.

A supportive approach is taken to unexplained absence. However the education authority has legal powers to write to, interview or prosecute parents, or refer pupils to the Reporter to the Children's Panel.

School Dress Code

Parents are asked to co-operate with the school in encouraging their child to follow the school's dress code.

All schools have a dress code, which includes the school's policy on uniform. The wearing of uniform is encouraged as it helps to:

- Develop a school community spirit
- Improves school security by making non-pupils more easily identifiable
- Allows pupils to be easily identified when out of the school, e.g. on trips
- Enhances the school's reputation within the community; and
- Minimises rivalry and bullying amongst pupils that can arise from, for example, the wearing of designer clothing.

The school's dress code has been agreed in consultation with parents, pupils, staff and the Parent Council. This consultation has ensured that the dress code meets the needs of the school community, allows pupils to participate in all aspects of school life and is age appropriate

Deanburn Uniform is available all year round from the Trutex Shop, Vicar Street, Falkirk.

You can also order uniform at any time from www.beschoolwear.co.uk and follow the link for school uniform.

The appropriate clothing and footwear for PE is a T-shirt, shorts and gym shoes with non-marking soles. These are necessary for health and safety reasons and your co-operation is requested to ensure that pupils are equipped to participate in the PE lessons.

Please ensure that all items of clothing are clearly labelled, particularly ties, sweat shirts and PE equipment, which are often lost. A protective apron or an old shirt should be worn for art and craft activities. Please help the school and the education authority by making sure that pupils do not bring valuable or expensive items of clothing to school.

In certain circumstances, appropriate clothing will be necessary for school activities for safety reasons, e.g. in games areas; this extends to the wearing of suitable footwear and the wearing of jewellery and earrings.

Offensive clothing such as T-shirts or other items featuring inappropriate language or illustrations is not permitted. Football colours are also inappropriate as they can lead to incidents of rivalry.

If you have any queries regarding the school's dress code, please contact the Headteacher.

School Meals

Primary and Secondary Menus offer healthy and tasty meal options whilst reflecting the Scottish Government food and drink legal requirements for School Lunches. Special diets and allergies are usually accommodated subject to consultation with the parent/guardian and the regional dietician. Primary School Menus provide 3 daily choices. Meal prices are reviewed annually. Please contact the school to be advised of the current price.

All P1-3 pupils are entitled to a free school meal. In the case of P4-P7 and secondary aged pupils, some families may be eligible to apply to Falkirk Council for provision of free school meals. Further details can be obtained from your child's school or the Falkirk Council website.

- **We are moving towards a cashless payment system for school meals. iPayImpact is a secure online payments system that allows you to pay for school-related items for your child(ren) online through your smartphone, tablet and computer.**
- **If you do not use iPayImpact, Children should bring payment for all meals taken each week on Monday mornings. If this is not possible payment should be made on the day that the meal is required. It is very helpful if parents place payments in an envelope with the amount and the days meals are required clearly marked.**
- **Packed lunches are eaten in the main school hall and dining hall areas.**
- **Please do not bring cans or glass bottles in packed lunches.**
- **After lunch, children are supervised in the playground. When the weather is inclement pupils are supervised indoors during break times.**

Medically Prescribed Diets

Parents/Carers with a child/ren on a medically prescribed diet should contact the Headteacher in order to obtain and complete a prescribed diet referral and declaration form. The Schools Meals Service will only accommodate a child/ren with a medical referral diagnosed by a medical professional.

Free School Meals and Clothing Grants

Some families may be eligible to apply to Falkirk Council for free school meals and / or a payment towards the cost of footwear and clothing.

You can get more information, and apply online at www.falkirk.gov.uk/fsm. You can also contact 01324 506999, or visit our One Stop Shops or the Advice and Support Hub.

School Clothing Grant

Falkirk Council can also provide assistance with the cost of school clothing and footwear.

Clothing grants are available for children who live in the Falkirk Council area and who are in compulsory education at any of our [primary](#), [special](#) or [secondary](#) schools. Pupils attending some special schools outside the area may also be eligible for this grant.

School clothing grants are not available to children attending [nursery schools](#), nursery classes or other pre-5 centres.

The School Clothing Grant is means tested. To be eligible, parents or guardians must meet one of the following criteria:

- In receipt of Income Support, or
- In receipt of Income-based Job Seekers Allowance, or
- In receipt of Income-related Employment and Support Allowance, or
- In receipt of Child Tax Credit only with a gross annual income below £16,105, or
- In receipt of Child Tax Credit and Working Tax Credit with a gross annual income below £16,105

Payments are paid directly into the parent or guardian's bank account.

Travel to and from School

Parents should remind their child(ren) that, in the interests of safety, good behaviour is expected from all pupils travelling on school transport.

Children should be reminded by parents that, wherever possible, they should only cross the road where there is a crossing patrol and should exercise care on walking to and from school.

In the interest of safety, Parents are reminded, when dropping off/collecting children from school that they should not park in the staff car park, on the turning circle, near the pedestrian exit or in any location which causes an obstruction. Please be courteous to home owners and be aware of parking across drives. There may be children crossing in front of the main gates so please drive carefully.

Transport for Primary and Secondary School Children (Excluding Placing Requests)

Free school transport is provided to and from your home address to your child's catchment school if they are distance entitled. Falkirk Council operate a more generous distance entitlement policy than required by law.

Distance entitled children are:

- ✓ All children under 8 years of age who live one mile or over from their catchment school by the nearest available safe walking route*.
- ✓ All children 8 years of age or over who live two miles or over from their catchment school by the nearest available safe walking route*.

*Note – a “safe walking route” assumes that the pupil is accompanied by a responsible adult.

Concessions, details of times of operation, criteria and application forms are available from the Transport Planning Unit within Falkirk Council. Tel: 01324 504724 / 504966.

Pickup points

Where home to school transport is provided, some pupils will require to walk a reasonable distance from home to the transport pick-up point but this should not exceed the authority's agreed limit of 1 mile.

It is the parent's responsibility to make sure that their child arrives at the pickup point on time and behaves in a safe and acceptable manner while boarding, travelling in and leaving the vehicle. Children who misbehave can lose their right to home to school transport.

General Supervision

Before school begins supervision is very limited, therefore pupils should not arrive at school until as near to the school start time as possible.

During intervals school helpers supervise the children. In addition the Headteacher and Depute Headteacher are on call to cope with any difficulties which may arise. There is always access to the building and the children are made aware of this. For further information on these arrangements, please contact the school.

School security

Falkirk Council has introduced procedures to ensure the safety and security of pupils and staff when attending or working in a school. We use a number of security measures including a visitors' book, where visitors are required to sign in and out when they are within the school building. All visitors are required to wear a visitor's pass. Normally, anyone calling at a school for any reason, will be asked to report to the school office. The school staff then can make the necessary arrangements for the visit.

Parents should not approach any child other than their own within school premises and playground.

Wet Weather Arrangements

In wet weather pupils are allowed into school during breaks and at lunchtime. However, as supervision during these periods is limited, it is especially

important that they exercise good behaviour. Children having school lunches may remain in school during wet weather but, again, supervision is limited.

Parents Meetings

All of our schools offer opportunities for parents to discuss their child's progress with teachers through arranged meetings. Although arrangements vary from school to school, all parents will be advised of at least once per session when these meetings take place. Over and above these set meetings, parents are welcome to contact the school at any time to ask for information or for an interview. Please see section two of this handbook for more details on home / school partnership.

Communication with Home

From time to time you will receive important and routine communications from the school via a variety of methods (email, group call, school app, social media etc.). Parents are also encouraged to check their child's schoolbag for these communications. Please ensure that the school holds your correct email address. Enquiries of any kind should be addressed to the Headteacher in the first instance.

Unexpected Closures

Most closures will be notified to you in writing, in advance, but there are occasions when the children may be dismissed early without warning, e.g. as a result of power cuts or severe weather. In the event of an early school closure please ensure that your child knows where to go if you are not usually at home during the day. To help us keep you informed it is important that you make sure we have the most up to date emergency contact information for your family. We will keep in touch using text messaging, e-mail, Twitter, via the Falkirk Council website or via information broadcast on Central FM. In the event of an unexpected closure, a sign out system will operate. The class teacher will request your signature before you collect your child.

Mobile devices

Parents provide their children with mobile devices for a variety of reasons, including supporting learning and for personal safety. It is the right of parents to allow their child to have a personal mobile device in school. However, if devices are brought to school there must be a clear understanding that the individual pupil is responsible for the care and usage of their device(s). Mobile phones should be turned off during school time and kept in school bags. Education establishments develop their own mobile device policies in consultation with pupils, parents and staff. For more information on this topic, please contact your child's school.

ICT Acceptable Use Policy

Falkirk Council Children's Services recognises that access to Information and Communications Technology (ICT) equipment and services helps young

people to learn and develop skills that will prepare them for work, life and citizenship in the 21st Century.

To support this, we provide resources for pupils and staff to use. The Children's Services ICT Acceptable Use Policy (AUP) outlines the guidelines and behaviours that pupils are expected to follow when using school equipment or when using personally-owned mobile devices in Falkirk Council establishments. The purpose of this is to protect young people online and to protect the Council's network and equipment. The ICT Acceptable Use Policy (AUP) will be issued by the school for both parent(s) and pupil(s) to sign.

Equality

The council is required to work towards advancing equality of opportunity for all people and to foster good relations between people. The council is committed to eliminating discrimination on the grounds of race, sex, disability, sexual orientation, religion/belief, age, marriage or civil partnership, transgender status, pregnancy/maternity or poverty.

Children's Services have a range of policies and procedures to address equalities issues specific to education to enable us to fulfil these duties. In addition to this all education establishments have a responsibility to report incidents of prejudice-based bullying in line with our recently updated Anti-Bullying Policy: 'Promoting Positive Relationships in Falkirk's Educational Establishments'.

Compliments, Enquiries and Complaints Procedure

Falkirk Council Children's Services would like you to be completely satisfied with your child's education. We encourage feedback on our services from parents, pupils and members of the public. We are interested in feedback of all kinds, whether it be compliments, enquiries or complaints.

Sometimes, parents/carers may feel that the services provided are not what they wished for and they may wish to complain. As a Council of the Future, we are encouraged to view complaints positively. If you have a complaint about the service provided by the school, please let us know as this enables us to resolve any issues you or your child are experiencing and helps us to make any improvements to service delivery.

How do I complain?

Complaints can be made to schools in writing, by email, on the telephone, in person or by using the Falkirk Council online complaints form on the website.

Who do I complain to?

Parents must first consult the school regarding their complaint.

What happens with my complaint?

All complaints are logged confidentially on our Customer First online complaints handling system. They will be monitored exclusively by each

school and Children's Services staff at Sealock House to ensure any response is within the timescales. This system will enable us to learn from complaints to prevent similar issues arising in future. We will deal with your complaint confidentially and as quickly as possible. If we have made a mistake we will apologise and try to put things right.

How long will it take until I get a reply?

Our aim is to respond within 5 working days to front line complaints, (Stage 1) although issues can sometimes be complex and the school may need time to investigate them.

What happens next?

If your complaint has not been satisfactorily resolved by the school, it may be eligible for consideration at the second, investigation stage by Children's Services headquarters at Sealock House. Complaints will not be considered by Children's Services unless they have been first reported to the school – unless there are exceptional circumstances. Our aim is to respond to second stage complaints within 20 working days.

Who else can help?

If you remain dissatisfied after the second, investigation stage, you can raise the matter with the Scottish Public Services Ombudsman

<https://www.spsso.org.uk/complain/form/start/>

You should also be aware that you have the right to raise concerns with your local Councillor, MSP or MP.

What else do I need to know?

Please note that schools can only respond to complaints about a service that they or Falkirk Council provides or a service we have contracted from a third party.

The Council's complaints handling procedure sets a time limit for making a complaint of six months from when the customer first knew of the problem

You can find out more about the Council's Complaint Procedure from the Falkirk Council website - <http://www.falkirk.gov.uk/contact-us/complaints/>

Other School Policies

Current school Policies are available on our website: - www.deanburn.falkirk.sch.uk or on request from school.

School Health Service

NHS Forth Valley has a statutory obligation to provide a health service for all school age children in Falkirk District. The aim of the service is to make sure that all children, throughout their school years, are in the best possible health to benefit from their education

The Public Health Nursing Team for Schools offer health assessments and reviews, health screening and deliver school based immunisation programmes. The team comprises of Public Health Nurses (Specialist Practitioner), Registered Nurses and Healthcare Assistants who are based in a local Health Centre and work over a number of schools in the area. Pupils and parents/carers can request a health appointment at any time. Other health professionals and teaching staff can also request a health appointment for the child or young person with parental and or young person's consent.

Health reviews will take place as necessary involving a parent questionnaire, a check of health records and if required screening of growth and vision.

- Health screening – All children in primary one and at other selected stages will be seen to have their growth and vision checked
- Immunisations – Secondary school pupils are offered immunisations. At the appropriate time information booklets and consent forms will be issued.
- Health Education – The Public Health Nursing Team has an important role in encouraging health lifestyles, working closely with teaching staff, pupils, parents/carers and the community.

The School Doctor (Community Paediatrician) may also offer appointments to children who have a significant ongoing medical or developmental condition affecting their education. School staff and parents can request a consultation with the School Doctor at any time.

The School Health Service can be contacted on – 01786 434059

The Public Dental Service carries out dental inspections in Primary 1 and Primary 7 and can help access dental services for those children who are not registered with a Dentist.

Infectious Diseases

Colds, flu and gastroenteritis are the most common infections affecting children of school age. It is important that you keep your child off school in the early stages of flu and while they still have diarrhoea for 48 hours.

It is also important that your child understands how to prevent picking up and spreading such infections. You will be able to get further advice about good health from staff in your Health Centre or GP Practice.

For advice about early detection and treatment for other infectious diseases e.g. chickenpox and mumps, please consult your GP or Nurse.

Head Lice

Head lice can be spread through head to head contact at home, while playing or in school.

Regular wet combing of your child's hair using a head lice detection comb is the best way to catch this possible problem at an early stage as it allows you to detect the condition and treat it speedily.

The only way to be sure that your child has head lice is to find a live louse. If you find live lice, get the correct lotion from your doctor, health visitor or pharmacist. Shampoos and other treatments are not effective.

One treatment is two applications of the treatment lotion, seven days apart. If this is not followed then re-infection is likely.

Advise family members and close friends that your child has head lice and that they should check their own hair. Only treat if live lice are found. Don't be shy about advising others of this possible problem.

Further advice can be obtained from the Health Board head lice leaflet which is available in all schools and health centres. Children's Services leaflet 'Frequently Asked Questions', which is also available in schools.

If you would like to discuss your particular concerns, you could speak to:

Infection Control Service

Forth Valley Royal Hospital

Stirling Road

Larbert

FK5 4WR

01324 567490 / 01324 567679

Clinics

From time to time some children are asked to attend clinics (eye clinics, dentist, doctor, etc.). Whilst we understand it may not always be possible, it would be advantageous to try to arrange these appointments outwith the school day. Please inform the school of these visits and arrange for your child to be collected if he/she must leave school to attend the clinic.

No child will be allowed away from school during school hours unless accompanied by a responsible adult.

Medicine administration

The administration of medicines prescribed by a family doctor is undertaken at the discretion of the Headteacher but schools are generally happy to co-operate with parents in doing so. In order to safeguard the health and safety of children, procedures are drawn up by Falkirk Council Children's Services.

When a child is prescribed medication by a doctor or a dentist and parents require the school to administer this, the relevant request Form should be completed. The MED 1 Form requires parents to deliver the medication to schools for administration by school staff. MED 4 Form permits pupils to carry and administer medication themselves e.g. inhalers. Both forms are available from the school office. Prescribed medication should be clearly marked with

your child's name, the date prescribed, how often it has to be taken and for how long.

Falkirk Council liability insurance does not provide indemnity to employees for administering non- prescribed medicines.

For medical appointments during school hours, please notify the school by letter and collect your child from the school.

Insurance Cover for School Children

Public Liability

Personal Injury

Falkirk Council has in place a Public Liability policy which operates in respect of claims for injury to any school child whilst under the care of the Council or employees, however the onus is on the claimant to prove that the Council has been legally negligent.

Pupil's Property

Each session, unfortunately but inevitably, pupil's property is lost, damaged or stolen from school. Parents are therefore discouraged from allowing their children to carry expensive items of personal belongings to the school and are reminded that a standard household policy can be extended to provide a degree of cover for personal items taken away from the home. Falkirk Council are not legally responsible for lost, damaged or stolen items unless specifically entrusted to a staff member.

Any claim made for loss or damage to the property left in the care of the school will have to be submitted, in the first instance to Children's Services, and the claim will only be settled if it is shown that the Council can be shown to be legally liable for the loss.

Travel and Personal Accident Cover – Educational Excursions

The Council has in force travel and personal accident cover for school children under which compensation is payable in the circumstances below, irrespective of legal liability.

1. Death	£30,000
2. Permanent Total/Partial Disablement	up to £30,000

The insurance applies to any activities involving a journey outside the premises of the School – both in the UK and overseas – organised by the school/Council.

Section Two – Parental Involvement in the School

Parents Welcome

All Falkirk Council schools welcome and encourage parental involvement and engagement. Research has shown that when parents are involved children do better in school.

Falkirk Council Children's Services and all of our schools work and collaborate with parents in the spirit of the recently published national action plan - **“Learning together”: Scotland's national action plan on parental involvement, parental engagement, family learning and learning at home 2018 – 2021**'. The plan can be accessed here:

<https://www.gov.scot/publications/learning-together-scotlands-national-action-plan-parental-involvement-parental-engagement/>. In light of this new plan,

Falkirk Council Children's Services are currently updating our Parental Involvement and Engagement Strategy in consultation with parents. This will detail a series of actions which we plan to take over a three year period to improve parental engagement with schools and the service and help to break down barriers which many parents experiencing when trying to become involved in the life and work of the school.

At Deanburn we actively encourage parental involvement through: parents' evenings; school assemblies and events including curricular workshops; classroom open day visits; website; text messages; letters; school and class newsletters; e-mails; phone calls etc. Pupils are issued with Homework diaries/link books and folio jotters, shared with parents. If at any time you require further information or advice regarding your child's learning or another aspect of school life please do not hesitate to contact school.

We welcome working in partnership with all parents and carers in order to support our pupils.

Parentzone Scotland is a unique website for parents and carers in Scotland, from early years to beyond school. The website provides up-to-date information about learning in Scotland, and practical advice and ideas to support children's learning at home in literacy, numeracy, health and wellbeing and science. Information is also available on Parentzone Scotland regarding additional support needs, how parents can get involved in their child's school and education. Furthermore, the website has details about schools including performance data for school leavers from S4-S6; and links to the national, and local authority and school level data on the achievement of Curriculum for Excellence levels. Parentzone Scotland can be accessed at <https://education.gov.scot/parentzone>

education.gov.scot/parentzone

Parental Involvement

Parents are encouraged to become partners in their children's learning. We have an active Parent Council who assist in the organisation of curricular workshops for parents and an active Fundraising Group who, through their efforts, provide welcome financial support for school. Parent helpers assist with our Outdoor Woodland Classroom, in the Library, supporting pupils in class and help run some of our After School Clubs.

As well as our annual Parents' Evenings and Curricular Open Afternoon, Parental Workshops are offered throughout the session. Parents are encouraged to share their views through questionnaires and through evaluations issued after meetings and events. The Parent Council meet regularly with the Headteacher to address and take forward any general school related issues raised by parents.

Parents are invited into school to enable Nursery children to share their "Learning Journeys" and P7 pupils to share their Profiles. Folio Jotters for pupils at other stages in school have been developed and are shared with parents and evaluated on a regular basis.

The school issues a regular Newsletter available on our website www.deanburn.falkirk.sch.uk Paper copies are available on request from school.

Individual classes also issue their own Newsletter on a regular basis.

Our Standards and Quality Report and School Improvement Plan can also be found on the above website.

Parents are encouraged to contact the Headteacher if they would like any further information regarding school life or the curriculum.

Parent Councils

Parents are welcomed to be:

- Involved with their child's education and learning;
- Be active participants in the life of the school
- Express their views on school education generally and work with the school.

All parents / carers are automatically members of the Parent Forum at this school. As a member of the Parent Forum all parents should –

- Receive information about the school and its activities;
- Hear about what partnership with parents means in our school;
- Be invited to be involved in ways and times that suit you;
- Identify issues you want the Parent Council to work on with the school;
- Be asked your opinion by the Parent Council on issues relating to the school and the education it provides;
- Work collaboratively with the school; and
- Enjoy taking part in the life of the school in whatever way possible.

Parent Councils are the formal representative body for parents / carers with children attending school. Parent Councils are different in each school to enable them to meet the needs of parents / carers locally.

The Parent Forum decides how their representatives on the Parent Council are chosen and how the Parent Council operates. Parents / carers are encouraged to volunteer or put themselves forward to be chosen as representatives of the Parent Council if they wish.

The main aims of the Parent Council are:

- To support and work collaboratively with the school in its work with pupils
- To seek and represent the views of parents
- To promote contact between the school, parents, pupils, providers of nursery education and the community

- To report to the Parent Forum
- To be involved in the appointment of senior promoted staff in the school.
- To raise funds for the school for the benefit of pupils (at Deanburn the DFG fulfils this role).
- To be included in School Improvement Planning

Deanburn Parent Council
Joint Chair –Sarah Ballantine/Karen Stein
deanburnpc@gmail.com
There is also a joint Fundraising/Parent Council Twitter account.

For more information on parental involvement and engagement or to find out about parents as partners in their children's learning, please contact the school or visit the Parentzone website at <https://www.education.gov.scot/parentzone/>

Deanburn Fundraising Group

DFG is mainly responsible for arranging events in order to raise funds for the school. Volunteers are welcome - please contact the DFG if you want to join.

Deanburn Fundraising Group (DFG)
Chair – Dawn McKinley
deanburnfundraising@gmail.com
There is also a DFG Facebook page.

For more information on parental involvement or to find out about parents as partners in their children's learning, please contact the school or visit the Parentzone website at <https://www.education.gov.scot/parentzone/>

Pupil Council

The Pupil Council is comprised of elected pupil representatives from each of the classes in school. The group meet monthly with the Headteacher/ Depute Headteacher to discuss issues raised by their classmates as well as those affecting school e.g. road safety.

The Pupil Council also meet on occasions throughout the session to share their thinking and to address specific areas. They also work closely with the Parent Council when appropriate eg road safety campaigns.

School Ethos

The school's values are Respect, Honesty, Caring, Perseverance and Ambition and are reflected in our motto "*Believe and Achieve*," where equality of opportunity exists, individual talents and abilities are nurtured and all are included.

Pupils are challenged and supported to do their best, achieve their potential and experience a happy and fulfilling school life.

The school chaplain is Rev Amanda MacQuarry, minister of the Old Kirk, Bo'ness.

We have developed strong links with the Old Kirk through Café Connect, which brings together older members of the congregation with our Enhanced Provision classes. Our P5 class attends the annual Cluster Carol Concert at the Old Kirk and Rev MacQuarry supports our Religious Education programme through class visits and participation at Assemblies.

Development of Pupils' mental, social and emotional wellbeing

The school is committed to supporting the development of the whole child and as a result, wishes to encourage their holistic wellbeing.

Mental, social and emotional wellbeing is supported in the following ways;

- Creating a school ethos which, in every way possible, gives value to these aspects of development, especially by providing an environment which is both caring and challenging and which provides opportunities for exercising rights and responsibility.
- Ensuring that staff and adults in the school act as positive role models for pupils.
- Providing opportunities for members of the school community to come together reinforcing shared values.
- Providing rich opportunities across all areas of the curriculum to develop mental, social and emotional wellbeing.

- Taking every opportunity within the curriculum and across the wider work of the school to celebrate diversity and promote equality.

Pupil Conduct

A partnership between the school and family is necessary to ensure the best possible standards of pupil conduct.

Pupils are expected to set themselves high standards in appearance and behaviour. School rules are devised to encourage the maximum amount of self-discipline. The rules make clear what is expected of pupils, and how they are required to behave. The general aim is to produce an atmosphere of friendly co-operation, encouraging respect and consideration for other persons and for property. A behavioural agreement is included in the School Enrolment Form that parents complete when enrolling their child(ren).

Our school expectations are based on the 4 basic rights and responsibilities as follows:

- **The right to teach/the right to learn.**
- **The right to feel safe.**
- **The right to be treated with dignity and respect.**
- **The right to be listened to.**
- **The responsibility to teach/learn.**
- **The responsibility to make others feel safe.**
- **The responsibility to treat others with dignity and respect.**
- **The responsibility to listen to others.**

In addition, we agreed, in consultation with pupils and parents, to follow these school rules:

- 1. We line up at the first bell, not the second.**
- 2. We always walk on the left.**
- 3. In school, we switch off mobile phones and keep them in our bags.**
- 4. We do not enter classrooms during breaks.**
- 5. At lunch time, we eat food only in the dining hall.**
- 6. In school we drink water, not fizzy drinks. Water bottles are refilled at break times.**
- 7. We hang jackets on hooks.**
- 8. School provides footballs, we do not bring our own.**
- 9. We don't ride bikes or scooters anywhere in the school grounds.**

Restorative Approach To Bullying Behaviour

Whilst many believe that children who display bullying behaviour should be punished, it is widely accepted that this type of response can at times be ineffective, and make the situation worse.

The adoption of restorative approaches is evidenced to be a more effective response than traditional methods. Pupils are given the opportunity to accept responsibility for their actions, recognise the harm done and are supported to find restorative responses to the harm they have caused.

There are times where sanctions are appropriate; exclusion is seen as a last resort and carried out when incidents fall within the legislation criteria.

Falkirk Council has a responsibility to provide an education for all pupils and to challenge and address bullying behaviour. Whilst appropriate action will be taken by the school, it is also important that all parent/carers work with the school to resolve any issues in the best interests of their child or young person.

Parents can access Falkirk Council's Anti-Bullying Policy, 'Promoting Positive Relationships in Falkirk's Educational Establishments'; on the Council website: www.falkirk.gov.uk/services/schools-education/policies-strategies/anti-bullying-policy.aspx

At Deanburn Primary School we aim to work in partnership with the whole school community to set high standards of behaviour where children are enabled to develop responsibility for managing their own behaviour within a positive and supportive environment. We endeavour to create an ethos where everyone is valued and where children and teachers can enjoy the right to learn and teach.

Please refer to our policies on Positive Behaviour, Anti Bullying and Rewards System at www.deanburn.falkirk.sch.uk

Parents have commented: "It gives parents confidence to know that there will be someone in school for my child – especially in the playground. My child runs to her buddy everywhere we see her – in the playground, at dancing, at Brownies."

Pupils have commented: "I think our House System works really well, it encourages us to behave responsibly and to think of everyone, not just ourselves."

Section Three – School Curriculum

Curriculum for Excellence

- **Learning to Achieve** - Our core educational policy.

This describes in detail how **Curriculum for Excellence** will be delivered in our educational establishments. We use **Learning to Achieve** along with the

national guidance to monitor, develop and improve outcomes for children and young people.

- **Curriculum for Excellence – Bringing learning to life and life to learning.**

Curriculum for Excellence is the vehicle by which we deliver a Quality Education across the **4 Contexts of Learning**. It aims to **raise standards**, prepare our children for a future they do not yet know and equip them for jobs of tomorrow in a fast changing world.

Curriculum for Excellence balances the importance of **knowledge** and **skills**. Every child is entitled to a **broad** and **deep** general education, whatever their level and ability. It develops **skills** for learning, life and work, bringing real life into the classroom, making learning relevant and helping young people apply lessons to their life beyond the classroom. It links **knowledge** in one subject area to another helping make connections in their learning. It develops skills which can enable children to think for themselves, make sound judgements, challenge, enquire and find solutions.

- **Responsibility of all**

Every single teacher and practitioner will be responsible for the development of **literacy and numeracy and health & well-being** from Early Level through to Senior Phase.

Teachers and practitioners will share information to plan a child's learning journey from 3-18, helping their progression from nursery to primary, primary to secondary and beyond, ensuring each transition is smooth. They'll ensure children continue to work at a pace they can cope with and with challenge they can thrive on.

There is an entitlement to personal **support** to help young people fulfil their potential and make the most of their opportunities with **additional support** wherever that's needed. There is an emphasis by all staff on looking after our children's **health and well-being** to ensure that the school is a place where children feel safe and secure.

GLOW, Scotland's unique, world leading, online network supports learners and teachers. Learners have **individual access** to GLOW through a username and password issued by school.

- **Skills for learning, Life and Work**

Children are given the opportunity to develop skills for learning, life and work, including literacy, numeracy and health & well-being both in and out of the classroom.

They develop the five core skills of communication, numeracy, problem solving, information technology and working with others from Nursery to P7 throughout all areas of the curriculum and by using active, creative and enterprising approaches to learning.

- **Developing the Young Workforce**

Developing the Young Workforce (**DYW**) is a seven-year programme that aims to better prepare children and young people from 3–18 for the world of work. This programme **builds on the foundations** already in place as part of Curriculum for Excellence.

Collaborative working between primary and secondary alongside **partnership working** builds on your child's experiences in primary school through secondary school. Curriculum planning and structures in schools have continued to evolve progressively as new qualifications have been introduced alongside traditional subjects. There is now on offer a **wide range of opportunities** for young people to develop their employability skills, gain experiences of the world of work and incorporate work-based learning elements together with employers to explore **direct pathways** into employment.

For further information on Learning in Scotland please access the following link: <https://education.gov.scot/parentzone/learning-in-scotland>

Literacy

Literacy is divided into Reading, Writing, Listening and Talking. Where appropriate, teachers make links in learning to ensure children's learning has a relevant context and is meaningful. Teachers use a variety of learning and teaching approaches to help ensure all learners are motivated and challenged.

Learning through literacy enables children to:

- develop their ability to communicate thoughts and feelings
- develop high level of skills in listening, talking, reading and writing which are essential for learning, work and life
- use different media effectively for learning and communication

Numeracy

Numeracy is divided into three areas:

- Number, Money and Measure
- Shape, Position and Movement
- Information Handling

Mathematics includes specific aspects of numeracy which will be developed both in mathematics and through activities in other areas of the curriculum.

Learning through mathematics enables children to:

- develop essential numeracy skills including arithmetical skills
- develop a secure understanding of the concepts, principles and processes of mathematics and apply these in different contexts

ICT

Each class has at least one Dell PC and timetabled access to the ICT Suite. All classrooms are connected to the internet and have limited and protected site access. Deanburn has Interactive Smartboards in all classrooms and a set of I Pads that can be used by all classes.

These active resources are used to deliver lessons across the curriculum following Curriculum for Excellence recommendations.

Teachers follow clear guidelines which cover the skills to be taught at each level of the national guidelines. The school is following Curriculum for Excellence advice and guidance on the use of ICT across the curriculum.

Enterprise

At Deanburn we recognise the importance of Enterprise in Education. Enterprising lessons are taught across the curriculum following Curriculum for Excellence advice and recommendation. The children develop enterprising attitudes and skills through learning and teaching. They also experience and develop an understanding of the world of work. All pupils participate in an Enterprise topic at least once a year. The life skills taught i.e. decision making and working together, are essential and are incorporated into other areas of the curriculum. Where appropriate, the use of modern technology and interactive software is encouraged to enhance the teaching of these skills.

Enterprise initiatives encourage the children to work more closely with outside agencies, business and the local community.

Health and Wellbeing

Health and Wellbeing includes experiences and outcomes for personal and social development, understanding of health, physical education and physical activity and home economics.

It also includes approaches and activities such as physical activity and nutrition, to promote the health and wellbeing of learners and the wider community.

The school actively works with other professionals such as Community Police and Forth Valley Health to ensure important messages are conveyed.

The school staff work closely with Facilities Management to promote Healthy Eating.

Our Active Schools Co-ordinator works in partnership with school staff to encourage active lifestyles and physical activity.

Social Studies

Through Social Studies, children and young people develop their understanding of the world by learning about their own people and what has shaped them, other people and their values in different times, places and circumstances and how their environment has been shaped.

Learning through social studies enables children and young people to:

- Broaden their understanding of the world by learning about human activities and achievements in the past and present
- Develop the capacity for critical thinking, through accessing, analysing and using information
- Form their own beliefs and view of the world and develop their understanding of different values, beliefs and cultures

Science/Technology

Through science children are encouraged to develop enquiring minds by developing ideas through play, investigation, first-hand experience and discussion.

Technology considers how knowledge can be applied for practical purposes.

Religious and Moral Education

Our school chaplain is Rev. Amanda MacQuarry who is minister at Bo'ness Old Kirk.

RME and moral education includes learning about Christianity and other world religions and supports the development of beliefs and values.

Expressive Arts

Expressive Arts include experiences and outcomes in the contexts of:

- Art and Design
- Drama
- Music and Dance

Through the Expressive Arts, children can have rich opportunities to be creative and imaginative and to experience inspiration and enjoyment.

Specialist Teachers

At present we have specialist teachers from Bo'ness Academy visiting the school on a regular basis in the following subjects:

- Music
- Physical Education

Musical Instruction Tuition

This is available to upper pupils in:

- Brass
- Violin
- Woodwind
- Piano

Learning to Achieve – is our core educational policy. It describes in detail how Curriculum for Excellence will be delivered in our educational establishments. We use **Learning to Achieve** along with the national guidance to monitor, develop and improve outcomes for children and young people.

Detailed information about our curriculum is contained within our Curriculum Rationale, which is available on the school website.

Teachers consistently share and create their learning intentions with their children. Pupils are encouraged and supported in setting targets and evaluating their own work. This takes place on a day to day basis, for instance, when agreeing the aims of an individual piece of work.

Effective learning and teaching is promoted through the framework of Curriculum for Excellence, throughout school and across curricular areas, this includes Active and Interdisciplinary Learning approaches. There is emphasis on the development of skills, knowledge and understanding in Literacy, Numeracy and Health and Wellbeing.

A Transition Project runs for pupils transferring to Bo'ness Academy, throughout their final year. All Primary 7 pupils also have the opportunity to participate in a Cluster Residential experience.

There is an outdoor classroom for Nursery and Enhanced Provision pupils. All classes have the opportunity to access the classroom located in Kinneil Woods on a regular basis.

Please contact the Headteacher if you would like any further information about the curriculum within our school.

For further information on curricular issues please refer to our Deanburn Website www.deanburn.falkirk.sch.uk and Curriculum for Excellence website [https://education.gov.scot/scottish-education-system/policy-for-scottish-education/policy-drivers/cfe-\(building-from-the-statement-appendix-incl-btc1-5\)/What%20is%20Curriculum%20for%20Excellence](https://education.gov.scot/scottish-education-system/policy-for-scottish-education/policy-drivers/cfe-(building-from-the-statement-appendix-incl-btc1-5)/What%20is%20Curriculum%20for%20Excellence)

Active Learning

Curriculum for Excellence emphasises the value of an active learning approach. Active learning is engagement of the brain whilst participating in learning opportunities. In the early years, children will have a range of learning experiences that include planned and purposeful play and stimulating learning which engages and challenges children's thinking using real life and imaginary situations. As children progress through school they continue to be involved in active learning experiences which give them ownership of their own learning, encourage co-operative working and utilise skills required for learning, life and work.

Planning Children's and Young People's Learning

Practitioners use a variety of approaches to ensure that pupils understand the purpose of their learning and are clear about how to be successful. A variety of planning approaches are used to ensure that experiences are progressive, skills – focused and meet pupils' learning needs. Often individualised targets help pupils to assess their own learning.

All children are actively involved in taking responsibility for their own learning through target setting and identifying their next steps.

All children are given opportunities to:

- **Take part in decision making**
- **Take part in class planning with their teacher**
- **House Captain/Vice Captain roles**
- **Take a leadership role through the Pupil Council, Eco Council, Sports Council, or by being a Young Leader or a Buddy**
- **Share learning, experiences and opinions with peers and parents**

Learning is centred around and led by the children, giving them a voice so they experience ownership over their learning.

We work hard to offer an active approach to learning across all ages and practical activities, including outdoor learning or trips into the local area, are central to children's learning so the children can learn experientially.

There is a strong community ethos where everyone is included and involved (children, all staff and parents) and we all learn from each other.

Reflecting and target setting is effectively used to help everyone to improve their learning by focusing on next steps.

Other approaches to learning include: Active Learning, Cooperative Learning, Bloom's Taxonomy, Assessment is for Learning, Creativity, Reciprocal Teaching, Interdisciplinary Learning and Global Citizenship.

Learning at Home

The school's homework policy can be found here

www.deanburn.falkirk.sch.uk

Practitioners provide home learning activities to support reinforcement of learning or to encourage pupils to apply learning in different ways, often in real life situations.

Parents are encouraged to get involved in home learning tasks. This helps parents keep up-to-date about learning in class and promote positive learning partnerships. The school encourages parents to sign each homework task.

Care of Books / Materials

To enable us to provide the best possible education for your child, every care should be taken to look after the school's resources and facilities. Parents are asked to remind their child(ren) that all school equipment and fitments should be used with care.

Books and learning resources which are lost or destroyed must be paid for, either wholly or in part, depending on the age of the resource. Any loss of school or Council property should be reported immediately to the school.

Sensitive Aspects of Learning

The overall aim of Health Education is to enable all pupils, through a programme of well-planned learning and teaching experiences, to develop the necessary knowledge, skills and attitudes for good physical emotional and social health.

Sex Education:

The P6 Programme explores the physical and emotional changes that take place at the onset of puberty and how we feel about ourselves. In P7, the Programme examines the whole process of life cycles and reproduction, rites of passage, friendships and feelings. It emphasises the importance of loving, caring relationships between couples and the value of the family and relationships within it.

Religious Instruction and Observance

Religious Instruction

Schools have a statutory duty to provide Religious Instruction in the timetable. This aims to promote a knowledge of the Christian and other faiths, and encourage children and young people to develop enquiring minds through investigating spiritual, moral and philosophical issues.

Religious Instruction may include visits to local places of worship, and/or visits from representatives of places of worship. This helps children and young people to develop knowledge and understanding of faiths, especially those with which they are less familiar.

Ultimately, pupils in the upper secondary school can gain a qualification through the study of Religious, Moral and Philosophical Studies at Higher and Advanced Higher Levels. These courses further develop young people's skills in logical thinking, methodical enquiry and ways of expressing ideas effectively.

Religious Observance/Time for Reflection

Religious Observance, which may take the form of a Time for Reflection, is held at least six times a year, in addition to traditional celebrations central to the life of the school community. Religious Observance will often (but not necessarily) take the form of an assembly.

Withdrawal from Religious Instruction and Religious Observance/Time for Reflection

Parents who wish to exercise their right to withdraw their child from religious observance are encouraged to discuss their intention with the Headteacher in the first instance to enable them to make a fully informed decision. Thereafter parents who wish to proceed to withdraw their child(ren) should notify the Headteacher in writing. This is so that alternative educational activities can be planned for their child(ren) during times of Religious Instruction and/or Observance.

Extra Curricular Activities

Every school is encouraged to offer as wide a range of sporting and cultural activities as possible. In this context, the Authority provides a degree of financial and administrative support for leagues, competitions, festivals and similar events but it is recognised that, again, the help of parents and the community is irreplaceable. Quite separately, the Council and / or Falkirk Community Trust and other partner organisations also undertake to organise and administer certain events and many schools take part in these.

There is a range of extra-curricular activities available for pupils during lunchtime and after school. Parents will be informed about these by the school. In addition to in-school activities, classes also make regular educational visits and field studies. Wherever possible, these visits are linked to pupils' class work.

Where participation involves children travelling or staying late after school, written permission for children taking part is required from parents.

English as an Additional Language

As part of the Additional Needs Service, the Council provides a support service for children who have English as an additional language. The service visits schools to work with those bilingual pupils who require assistance in developing English language skills.

Facilities for Physical Education and Outdoor Activities

The gym hall has a variety of apparatus for physical education within the school. As part of the school's physical education programme, pupils may also use the school grounds, the facilities of the local sports complex or athletics stadium.

Active Schools

Active Schools, within Falkirk Community Trust, aims to provide more and higher quality opportunities to take part in sport and physical activity before, during lunchtime and after school, to develop effective pathways between schools and sports clubs in the local community.

Active Schools co-ordinators work with primary, secondary and additional support needs schools to increase the number and diversity of children and young people participating in Active Schools activities. In Falkirk there are 8 school clusters that co-ordinators work with to provide clubs, events and coach education training. For further information please contact 01324 590952.

www.falkirkcommunitytrust.org/sport/active-schools

Follow us on @falkirk sport

Assessment and Reporting

There are a variety of ways to assess progress and ensure that children and young people achieve their potential. Effective assessment practice within schools and establishments include:

- Learner involvement in setting personal targets and next steps
- On-going self-evaluation by learners, staff and school leaders
- Identification of strengths and next steps
- A range of approaches to assessment
- A variety of evidence gathered informally on a day to day basis or formally at certain points throughout the year (not exclusively - Teachers' professional judgement, Scottish National Standardised Assessments, National Qualifications)
- Moderation of standards using Education Scotland Benchmarks
- Consideration of data analysis and performance information

Achievement of a Level & Scottish National Standardised Assessments (SNSA):

Learner's progress is defined within the following levels:

Level	Stage
Early	Pre-school and P1 however may be later for some
First	To the end of P4 however may be earlier or later for some
Second	To the end of P7 however may be earlier or later for some
Third & Fourth	S1 – S3 however this may be earlier for some
Senior Phase	S4-S6 and college or other means of study

Achievement of a level means that the learner has achieved a breadth of learning across the curriculum area and has met the appropriate benchmarks; that they have responded consistently well to the level of challenge in their

learning and can apply what they have learned in new and unfamiliar situations.

From August 2017, National Standardised Assessments have been introduced to all schools across Scotland in aspects of reading, writing and numeracy, for all learners in P1, P4, P7 and S3.

These assessments sit alongside a wide range of other evidence including ongoing classroom assessment of all aspects of literacy and numeracy. They cannot be used alone to confirm judgements of achievement of a level.

Within schools and establishments, finding out about your child's progress includes:

- Attending parents' information evenings
- Discussing progress with teacher staff and school leaders by appointment
- Attend open evenings/afternoons including "meet the teacher" events
- Reading learning logs or diaries (which usually invite parents/carers to comment)
- Summary Reports (sent home to parents/carers including an invite to make comments)
- Social media updates from staff and/or the school

Further information about what data is collected about your child is given in Section 5 of this handbook.

Reporting takes place on an ongoing basis throughout the year in the form of: Folio Jotters containing examples of children's work; assemblies and performances involving parents; School and Class Newsletters as well as our Website and Twitter account reporting school events and developments providing up to date information about school.

Final, written, Pupil Reports are issued in June. Parents' Meetings are held in October and February/March when you will be issued with an appointment to meet with the class teacher in order to discuss your child's progress.

A variety of curricular Open Afternoons and Evenings are held throughout the session.

Section Four – Support for Pupils

Getting It Right For Every Child (GIRFEC)

Taking care of our children's well-being and making sure they are alright - even before they are born - helps us ensure the most positive outcomes for them later in life. It gives them the potential to grow up ready to succeed and play their part in society.

Getting it Right for Every Child (GIRFEC) is the Scottish Government's approach to improve children's services. The wellbeing of all children and young people is at the heart of GIRFEC. Services must work together with children, young people and their families to provide quick and effective support when it is needed

Wellbeing

The Getting it Right approach looks at eight areas of 'well-being'. These are recognised as areas in which children and young people need to progress in order to do well now and in the future. They allow those responsible for the care and support of children - including members of their own families - to look at a situation in a structured way that will help them identify any needs and concerns and plan with the child and family any action they need to take. The eight well-being indicators are:

- Safe
- Healthy
- Achieving
- Nurtured
- Active
- Responsible
- Respected
- Included

The approach gives them a common language and a way to gather information about a child's world, making sure the child is growing and developing, and has everything they need from the people who look after them both at home and in the wider community. It also encourages practitioners to think about who else might need to be involved (for example a teacher might need to contact other professionals to make sure that an education plan with the child and family is meeting all the child's needs).

Role of Named Person

All children and young people are entitled to access help or support from the Named Person no matter where they live or how old they are (up to eighteen years). It ensures they have the confidence to know that information, advice or support is there if and when they need it. The Named Person is therefore the identified point of contact.

The role is generally carried out by a Health Visitor for pre-school children or a promoted teacher for children and young people enrolled at school. It is an integral part of existing roles and responsibilities, working within universal services.

The Named Person is also available to other practitioners who may have concerns about the wellbeing of a child or young person which cannot be addressed within their own services. Consent to share information, whether being shared with or by the Named Person, will always be obtained and meaningful discussion will take place with families to ensure the right support is offered. The exception to this would be if a child protection concern is identified and there is a risk to the child or young person.

When the Named Person is not available, another member of staff in school will be able to help. During school holidays an officer from Children's Services Headquarters will provide the required advice and support.

Family Support Service

Across Falkirk there are a number of services who can support children. Young people and their families from early intervention to more intensive support.

The main aim of these services is to increase the wellbeing of young people and their families.

Children, young people and their parents may require additional support at different times in their life e.g. following a bereavement, illness, transition, when experiencing anxiety, behaviour issues, during or after changes in family circumstances.

Support is tailored to meet the individual needs of children & families, when they need it and as locally as possible.

Individual or group work can be delivered in school, home or in the community.

A request for support can be made through a member of school staff (named person) who will be able to talk with you, gather information & your family's views. This helps identify the most appropriate service.

Family Support services work in partnership with families, schools and other agencies to support young people's wellbeing.

Protecting Children and Young People

All children have a right to be protected from harm, abuse and neglect. The vision of the Forth Valley Child Protection Committee is that "It's everyone's job to make sure that children in the Forth Valley are safe."

Children's Services have an important role in identifying children who have been abused or are at risk of being abused.

Falkirk Council has clear procedures for all staff to follow. Headteachers or designated member of staff are instructed to notify Falkirk Council and Children's Services when a member of staff has a suspicion that a child might have been abused or be at risk of abuse.

Children's Services will make a decision on whether or not an investigation is necessary and will advise accordingly. In every situation, the welfare of the child overrides other considerations.

Additional Support Needs

As with all local authority schools in Scotland, this school operates under the terms of the Additional Support for Learning Act (2009) and its accompanying Code of Practice. Further details of the policies and procedures can be found on the Falkirk Council website:

<http://www.falkirk.gov.uk/services/schools-education/additional-support-needs/>

These procedures have been strengthened through the Children and Young People Act (2014).

Working with other agencies and professionals – for example, Social Work Services, Educational Psychology Service, National Health Service and parents – decisions are made jointly with parents, children and young people with regards to the best possible education to meet the needs of the child within the resources available.

Support for Pupils

Pupils' additional support needs will be identified and addressed through the Getting It Right For Every Child processes. This involves close co-operation between the parent or carer, the child and the staff in school – they are the core part of the Team Around the Child. Others involved in your child's education and well-being will also be part of the Team, and will help to complete a rounded picture of assessment where appropriate. The Team will also draw up and review plans to meet the needs identified. Their activities are co-ordinated by the Named Person, who is responsible for ensuring plans are implemented and has an overall picture of the pupil's progress. You will be told who the Named Person is for your child when they start school. If you believe your child may have unrecognised additional support needs, your first point of contact should be the child's EYO, class teacher or guidance teacher.

The school makes provision for pupils with additional support needs throughout their education:

- Each teacher differentiates the Curriculum for Excellence within their class to provide educational targets and objectives suited to their age and stage of development
- The school has a Support for Learning Teacher to co-ordinate and organise support for children
- The school can allocate a Support for Learning Assistant on a basis of need in exceptional cases

Disputes and Resolution in Additional Support Needs

Schools and Early Years facilities do their best to support pupils, and are responsive to the needs of parents, carers and pupils. Nevertheless, problems may arise, and it is important to deal with these as soon as possible.

In the first instant it is usually wise to contact the school or nursery directly, and if the matter cannot be satisfactorily resolved, they may call on the services of some centrally-based staff – the Additional Support for Learning Adviser, the Educational Psychologist or the school's attached Team Manager. Children's Services also commission independent mediation through Children in Scotland. Their services, called Resolve, may be arranged by the Additional Support for Learning Adviser, or accessed directly by parents on 0131-222-2456.

Parents, carers and children with additional support needs can also seek independent advice and support through:

- Enquire – the Scottish advice and information Service for additional support for learning: www.enquire.org.uk, 0345 123 2303
- Scottish Independent Advocacy Alliance; www.siaa.org.uk, 0131-260-5380
- Take Note: National Advocacy Service for Additional Support Needs (Barnardos in association with the Scottish Child Law Centre) www.sclc.org.uk, 0131-667-6633.
- Let's Talk ASN, c/o Govan Law Centre, letstalkasn@edlaw-org.uk, 0141-445-1955.

Educational Psychology Service

Educational Psychologists work in collaboration with teachers, parents and other professionals to support children and young people with their learning and general development, and to make the most of their lives, particularly in educational settings.

Every school and pre-five establishment has a link Educational Psychologist who provides consultation, assessment intervention, training and project work. We work within the Staged Intervention Approach of Children's Services

The school must obtain the agreement of parents and, where appropriate, the pupil before involving the Educational Psychology Service. Further information is on the website <https://blogs.glowscotland.org.uk/fa/epservice>

Transitions

Nursery children moving to P1 are involved in a transition project in the summer term. The children are given "Buddies," senior pupils who help the Nursery children e.g. in the playground or dining hall, as they make the transition into Primary School.

P7 pupils are involved in a transition project with Bo'ness Academy throughout their last year at Primary. We also meet with Academy staff to share essential information prior to pupils leaving Deanburn.

Nursery Class Provision

The school's nursery class provides places for children aged 3-5 years. Nursery class provision is non-denominational, which allows children of parents from all religions and beliefs to attend the nursery. Attendance at the nursery class does not however guarantee a place in the school.

Admission to Early Learning & Childcare (ELC) Establishments in Falkirk

All ELC places are allocated according to the Early Learning and Childcare Admission Policy. A funded pre-school education place is available for every child aged 3 to 5 years who lives in Falkirk. A place can be provided in either a Falkirk Council ELC Centre or in a private nursery which is in partnership with Falkirk Council.

From August 2018, children become eligible for pre-school education as follows:

- For children who reach 3 years of age between 1st March and 31st July the start date will be the beginning of the Autumn Term (August)
- For children reaching 3 years of age between 1st August and 29th February of the following year the start date will be a month after the child's 3rd birthday.

Application forms are available from all primary schools and ELC Centres and can also be downloaded from the Falkirk Council web-site at www.falkirk.gov.uk.

Only one application form should be completed. The application form asks for the 1st, 2nd and 3rd choice of ELC Centre, the form should be returned to any school, ELC Centre, One Stop Shop or can be sent directly to ELC Admissions Team, Sealock House, 2 Inchyra Road, Grangemouth, FK3 9XB.

You will also be asked to provide the child's birth certificate and proof of address.

Applications are then allocated according to the criteria detailed in the Admissions Policy –

<https://www.falkirk.gov.uk/services/children-families/early-learning-childcare/docs/nursery-admission-policy/Early%20Learning%20and%20Childcare%20Admission%20Policy.pdf?v=201507271206>

Transition from Nursery to Primary

Before leaving nursery, a transfer of information record for each child will be prepared by nursery staff to ensure a smooth transition and continuity of education for the child transferring to primary. All nurseries and primary schools have a variety of systems which support the transition process for children. This ensures that children's strengths and development needs are addressed.

Primary School Admissions

Children's Services must set a date each year for the commencement of children's attendance at Primary school. This date is usually the 3rd or 4th week in August.

When commencing Primary 1 education, your child will normally attend the local denominational or non-denominational Primary school and transfer from it, after Primary 7, to its associated Secondary school. Details of the catchment areas and boundaries can be obtained from the Forward Planning Section – Tel. 01324 506621/506608 in the Children's Services, on the website - www.falkirk.gov.uk or the relevant school.

Pupils who are baptised Roman Catholic and who live within the catchment area of a denominational school are automatically entitled to enrol at the school. All other pupils will require a placing request (see below).

Any movement between denominational and non-denominational schools at year stages other than Primary 1 will require a Placing Request Form to be completed.

The authority will place adverts in the local press and nurseries advertising the date(s) for enrolment.

Parents of pupils enrolling at a denominational school must also present their child's RC baptismal certificate. Parents of pupils that are not RC baptised will be required to submit a placing request (see below).

You are still required to enrol your child(ren) at your catchment denominational school (if RC baptised) or catchment non-denominational school (if not RC baptised) even if you do not wish him/her to attend that school.

Enrolment timetables will also be available through the Falkirk Council website at www.falkirk.gov.uk.

Children eligible for enrolment are those whose 5th birthday falls between 1st March and the end of February the following year. Requests for enrolment will only be prioritised if Children's Services receive more requests for enrolment than places available at the school.

Primary to Secondary Transfer

Children visit their secondary school in preparation for the move from Primary 7 to 1st Year.

Each cluster of schools (i.e. the secondary school and its associated primary schools) makes its own transition arrangements.

Generally, visits take place in the summer term, with a programme of activities for pupils in classroom relating to their secondary subjects. Sporting and social activities may also be planned. Pupils, therefore, become familiar with the new school, their new teachers and their new classmates.

Clusters also arrange for secondary school subject teachers to visit Primary 7 classes from time to time, with the cluster agreeing each year which subject areas should be the focus for these. Secondary teachers of PE and Music regularly visit primary schools to support the teaching of these subjects.

Most secondary schools also have an information evening for parents of Primary 7 children at which they can gain information about uniform, lunchtime arrangements, school clubs, etc.

Pupils with Additional Support Needs

Secondary school Pastoral and Support for Learning teachers make visits to the Primary 7 class to get to know the children and their needs, including any Additional Support for Learning needs. Visits by Support for Learning staff sometimes take place as early as Primary 6 to help with additional arrangements for those children for whom the move to secondary school may present particular challenges.

Moving to the denominational secondary school

Children who are baptized Catholic

With the exception of some pupils at St Patrick's PS, pupils who are in Primary 7 in denominational primary schools (Sacred Heart PS, St Andrew's PS, St Mary's PS, St Francis Xavier's PS and St Joseph's PS) move to St Mungo's HS.

Pupils in Primary 7 at St Patrick's PS attend St Modan's HS in Stirling.

Children who are non-Catholic

Parents of non-RC baptised pupils who were enrolled through a Placing Request at a denominational primary school must submit a further Placing

Request if they wish them to transfer to St Mungo's High School. These pupils are, otherwise, automatically entitled to transfer to their catchment non-denomination secondary school.

Moving between denominational and non-denominational schools

Parents who intend to send their children to St Mungo's HS from a non-denominational primary school, or from a Catholic primary school to their catchment non-denominational high school, should make known their intentions both to the primary school and the secondary school as soon as possible. This enables the necessary transfer arrangements to be made.

Catchment Secondary School

Our associated Secondary School is Bo'ness Academy.

For pupils with additional support needs who are not transferring to Bo'ness Academy, planning arrangements involving parents are ongoing throughout P6 and the final session at Primary.

Placing Requests

As a parent, you have the right to make a Placing Request for your child(ren) to be educated in a school other than the local school. Applications for Primary 1 and Secondary 1 Placing Requests to commence school in August will only be accepted following the publication of an advert in the local press inviting applications in early December.

Every effort will be made to try to meet parental wishes, but you should note that it is not always possible to grant every Placing Request. You should also note that a successful Placing Request for one child does not guarantee a successful one for another child. A parent could, therefore, end up with children attending different schools.

Primary 1 children must also be enrolled at the catchment area school on the appropriate Enrolment Form whilst awaiting the outcome of their Placing Request Application. If the Placing Request is granted, the child's enrolment at the catchment school will automatically be withdrawn by Children's Services.

Placing Requests can only be approved when there are sufficient places remaining in the class after all catchment area children have enrolled and if staffing and accommodation at the school are able to meet the numbers of Placing Requests at that school. Children's Services will also reserve places in a class for catchment pupils they expect to move into the area during the school year.

If more Placing Requests are made for admission to a particular school than places available, these Requests will be prioritised according to Falkirk Council's Admissions Policy and requests accepted and refused accordingly.

Online placing request applications can be made via the Council's website www.falkirk.gov.uk/placingrequests. Written application forms are available from all schools and from Children's Services. Written applications must be returned to the Director of Children's Services, Sealock House, 2 Inchyra Road, Grangemouth, FK3 9XB. Placing request for Primary 1 and Secondary 1, commencing in the next school session, should be made by the 15th March each year. Responses will be issued no later than 30th April.

Your Placing Request will be considered against a set of criteria which is set out in the Council's priorities for admission.

Any Placing Requests received after the 15th March for Primary 1 and Secondary 1 will not be considered in the first round of Placing Requests. Parents / Carers will be notified of the outcome of their request within 8 weeks of receipt.

As soon as a decision has been made, you will be notified of the result. If your Placing Request is successful, you will be asked to contact the school to establish arrangements for enrolment.

Mid Session Transfers

You may make a Placing Request at any time during a school session. If your child is experiencing problems at school, you are advised to discuss the matter with the Headteacher prior to making a Placing Request. Completing the Application Form does not guarantee a place for your child at your chosen school. Your Placing Request will only be granted if there are surplus places available at the school.

Transport for Placing Requests

If a Placing Request is successful, parents will be responsible for the safety and transportation costs of their child to and from their chosen school.

Section Five – School Improvement

Raising Attainment

Monitoring performance and using the resulting information to secure improvement is an important part of the work of Headteachers, school staff and officers within Children's Services. Headteachers regularly track pupils' progress at meetings with each teacher to ensure that progress is maintained and to identify effective strategies progress when necessary.

Standards and Quality Report

Every year each school publishes a Standards and Quality report which highlights the school's major achievements.

You will find a copy of our Standards and Quality Report on the school website www.deanburn.falkirk.sch.uk

Standards and Quality Reports – Operational Guidance

Schools and centres must provide an annual Standards and Quality Report (SQR) as a record of the progress made with the annual improvement plan. The SQR should be based on the results of on-going self-evaluation which is rigorous, effective and based on consideration of impact. This self-evaluation should be informed by How good is our school? 4th edition (HGIOS?4) and/or How good is our early learning and childcare? (HGIOELC?) and How good is OUR school? It should give a clear indication of where the school is now in relation to its process of continuous improvement.

It should state clearly and briefly the progress towards the National Improvement Framework (NIF) priorities and drivers and Children's Services NIF Improvement Plan priorities. The report should be written using evaluative language.

The National Improvement Framework's 4 key priorities are:

- Improvement in attainment, particularly in literacy and numeracy;
- Closing the attainment gap between the most and least disadvantaged children;
- Improvement in children's and young people's health and wellbeing; and
- Improvement in employability skills and sustained, positive school leaver destinations for all young people

The 6 key drivers of improvement identified in the NIF are:

- School leadership
- Teacher professionalism
- Parental engagement
- Assessment of children's progress
- School improvement
- Performance information

School Improvement Plan

A copy of our School Improvement Plan is included on our website www.deanburn.falkirk.sch.uk

Transferring Educational Data About Pupils

The Scottish Government and its partners collect and use information about pupils in schools (e.g. the number and characteristics of pupils, their attendance, absence and exclusions, their attainment and their destination when leaving school) to help to improve education across Scotland.

Information on how this data is used and what the Scottish Government and its partners do to protect the information supplied to them can be found via the link below:

<https://www2.gov.scot/Topics/Statistics/ScotXed/PrivacyInformation>

For more information on why we transfer educational data to the Scottish Government and third parties, please see the Primary page on the Falkirk Council website : www.falkirk.gov.uk/privacy

Concerns

If you have any concerns about the ScotXed data collections you can email the Head of Schools Analysis, Mick Wilson, at **mick.wilson@scotland.gsi.gov.uk** or write to Education Analytical Services, Area 2D, Victoria Quay, Leith, EH6 6QQ.

Previous HMIE reports for Deanburn are held on the Education Scotland website.

Websites

You may find the following websites useful.

- <https://education.gov.scot/parentzone/> - parents can find out about everything from school term dates to exam results. This site also offers information for pre-5 and post school. It also lists relevant publications for parents and provides hyper-links to other useful organisations.
- <https://education.gov.scot/inspection-reports> - parents can access school and local authority inspection reports and find out more about the work of Education Scotland.
- www.falkirk.gov.uk - contains information for parents and information on Falkirk schools.
- <http://www.childline.org.uk/Explore/Bullying/Pages/Bullyinginfo.aspx> - contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying.
- <http://www.respectme.org.uk/> - Scotland's anti-bullying service. Contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying
- <https://education.gov.scot/> - provides information and advice for parents as well as support and resources for education in Scotland
- <https://www.equalityhumanrights.com/en/commission-scotland> - contains information for everyone on equality laws within the government and local authorities.
